

There are **two** requirements to be considered for an exemption from PLAN 710.

You must provide proof of subject matter expertise and complete the University's Required Ethics Training.

If the exemption is approved, students are responsible for taking an additional planning course to earn the necessary credits for program completion.

Student Name

PID

**I. Subject Matter Expertise (pick one of the three below)**

I have passed the exemption exam offered by DCRP

Date exam taken:

I have completed an equivalent graduate course at UNC within the past three years and received a grade of H or P

You must attach unofficial transcript showing the grade

Course Number/ Name

Grade

Semester/ Year
