NOW HIRING: Planner or Senior Planner

As a Planner or Senior Planner for the city of Clearwater, your education and experience will be developed in a fast-paced work environment where business is thriving and no day is the same.

Want to join a work environment that promotes creativity, confidence, personal/professional development, equity, and inclusion? Clearwater is the place to be.

Just graduated? Our entry-level planners hit the ground running using their education and skills essential to the city's day-to-day business operations. The work is diverse, and you will become seasoned in all facets of planning.

Where will you work? Just a few minutes drive from beautiful Clearwater Beach, steps from a restaurant row of great eateries in Downtown Clearwater, and with a diverse workforce that is dedicated to getting the job done for the citizens of Clearwater.

Paid Professional Development: Join professional organizations and travel for conferences paid by the city.

Benefits: Healthcare fully paid by the city, with access to the city's employee Health Center. Three weeks paid vacation.
