Associate or Senior Associate Position

BAE Urban Economics, Inc. is seeking an outstanding Associate or Senior Associate level staff person to join our Washington DC office.

BAE has a dynamic national consulting practice in urban development, public-private partnerships, revitalization strategies, affordable housing, economic development, fiscal impact, and public finance. Our primary client base is public agencies, especially cities and local government agencies. Founded in 1986, the firm is headquartered in Berkeley, CA with four branch offices, including Washington DC. Additional information can be found at www.bae1.com.

Associates work as part of a team to complete technical analyses and reports. Associates are expected to plan and execute analytical tasks, prioritize multiple assignments, and complete deliverables in a timely manner with creativity and attention to detail. We are seeking an Associate or Senior Associate who is passionate about the work we do, enjoys intellectual challenge, and has a desire to learn and grow professionally.

The Associate position requires:

- Master’s degree in city and regional planning, business administration, or another related field
- 1-2 years relevant work experience
- Understanding of the real estate development process
- Strong analytical and quantitative skills in cash flow analysis, fiscal impacts and demographic trends
- Very strong professional writing skills
- Driver’s license and ability to travel

The Senior Associate position requires the qualifications above plus an additional two to three years of professional experience equivalent to the Associate position.

Skills and experience in GIS, IMPLAN and SPSS are desirable, as is a working knowledge of the greater Washington DC/Baltimore metropolitan area. BAE offers a competitive salary, a supportive and collaborative environment, excellent benefits, and advancement opportunities. We are an equal opportunity employer.

To apply, please send a cover letter, resume, and a writing sample or professional report to: Mary Burkholder, Associate Principal, at bae1@bae1.com.
